HIGH ENERGY CONCERTS
Some concerts at Roskilde Festival call for moshing, wild dancing etc. We mark these with a 'high energy' icon. If you see the above icon next to an act, expect the audience activity in front of the stage to be quite wild, and we want you to be careful if you choose to be up front. We will allow moshing, dancing etc. at these concerts. Do notice, however, that we do not allow crowd surfing.
